

# Wilson News Con't

## Classroom Rules

1. Always follow the CHAMPS MODEL.
2. Be on time for class.
3. Absolutely No profanity.
4. Keep your hands to yourself.
5. No food, gum, candy in the class.
6. No cell phones, or any electronic devices on in class.

## Science Labs

You will have at least 2 labs each week and they will be scored using a rubric. You must follow the rubric to achieve the maximum number of points.

## Writing in the Science Content Area

This year in science you will be required to write to a given prompt in the science content area. You will be given a rubric on how you will be scored and spelling will count for everything. You will be given a rubric to follow.

## What to Look For this Year in Science Class

Cooperative Learning Classroom  
Lab Groups  
Hands on Inquiry Labs  
Scientific Method Experimental Procedures  
DEW (Drop Everything and Write)  
Virtual Labs  
Technology Assignments

## Mrs. Wilson Has a Website
